

## Blank Space - Taylor Swift

### Verse 1

**F F F F F F F**  
Nice to meet you, where you been?  
**A A A G F G F G D**  
I could show you incredible things  
**F F F F F F F**  
Magic, madness, heaven, sin  
**A A A G G F F**  
Saw you there and I thought  
**Bb F F C C A A**  
Oh my God, look at that face  
**Bb F F C C A A**  
You look like my next mistake  
**C F F C A A Bb G F**  
Love's a game, wanna play?

**F F F F F F F**  
New money, suit and tie  
**A A A G F G F G D**  
I can read you like a magazine  
**F F F F F F F**  
Ain't it funny, rumors fly  
**A A A G G F F**  
And I know you heard about me  
**F F C A A**  
So hey, let's be friends  
**Bb Bb F F C C A A**  
I'm dying to see how this one ends  
**C F F F C A A**  
Grab your passport and my hand  
I can make the bad guys good for a weekend

### Chorus

**F F F F F F G A**  
So it's gonna be forever  
**F F F F A E E F**  
Or it's gonna go down in flames  
**F F F F F G A**  
You can tell me when it's over  
**FF F F A E E F**  
If the high was worth the pain  
**C C Bb Bb A Bb A G**  
Got a long list of ex-lovers  
**G G G Bb A G F**  
They'll tell you I'm insane  
**C C Bb Bb A Bb A G**  
'Cause you know I love the players  
**Bb Bb Bb Bb C**  
And you love the game

**F F F F F G A**  
'Cause we're young and we're reckless  
**F F F A E E F**  
We'll take this way too far

**F F F F G A**  
It'll leave you breathless  
**F F F A E E F**  
Or with a nasty scar  
**C C Bb Bb A Bb A G**  
Got a long list of ex-lovers  
**G G G Bb A G F**  
They'll tell you I'm insane  
**C G G F G G F D D**  
But I've got a blank space, baby  
**D A F F F**  
And I'll write your name

### Verse 2

**F F F F F F**  
Cherry lips, crystal skies  
**A A A G F G F G D**  
I could show you incredible things  
**F F F F F F F**  
Stolen kisses, pretty lies  
**A A A G G F F F**  
You're the King, baby, I'm your Queen  
**F F C A A**  
Find out what you want  
**Bb F F C A A**  
Be that girl for a month  
**C F F C A A Bb F F**  
Wait, the worst is yet to come, oh no

**F F F F F F F**  
Screaming, crying, perfect storms  
**A A A G F G F D**  
I can make all the tables turn  
**F F F F F F**  
Rose garden filled with thorns  
**A A A G G F F**  
Keep you second guessing like  
**Bb F F C A A**  
"Oh my God, who is she?"  
**Bb F F C A A**  
I get drunk on jealousy  
**C F F C A A Bb G**  
But you'll come back each time you leave  
'Cause, darling, I'm a nightmare dressed like a daydream
