Not a footprint to be seen.

A kingdom of isolation and it looks like I'm the queen.

The wind is howling like this swirling storm inside.

Couldn't keep it in, Heaven knows I tried.

Don't let them in, don't let them see,

Be the good girl you always had to be.

Verse 2

A B B B B B A G G A A A B B
It's funny how some distance makes everything seem small
G G B B B D E D D G G F# E E
And the fears that once controlled me can't get to me at all.
E E E E F# G E D D B D E
Up here in the cold thin air I finally can breathe.
E E E E F# G F# E D B D G E G E G A
I know I left a life behind but I'm too relieved to grieve.

Chorus

Let it go, let it go
G E E E E F# G
Can't hold it back anymore
E F# G D D A
Let it go, let it go
G A B C B A G
Turn my back and slam the door
G D B A G D B G
And here I stand and here I'll stay
E F# G D D A
Let it go, let it go
G C C C C C B C B G
The cold never bothered me anyway

In the life I've chosen.

You won't find me.

The past is all behind me

Buried in the snow.
