

Thinking Out Loud - Ed Sheeran

F# A B A F# E D E F# B D

When your legs don't work like they used to before

F# A B A F# F# E F# D

And I can't sweep you off of your feet

F# A B A F# F# E D E F# B D

Will your mouth still remember the taste of my love?

F# A B A F# F# E D D

Will your eyes still smile from your cheeks?

D D E F# A A D E F# E E G F# E D

And, darling, I will be loving you 'til we're 70

D D E F# A A D E F# E E G F# E D

And, baby, my heart could still fall as hard at 23

A F# E D E D B A

And I'm thinking 'bout how

F# G F# G F# E D E D F# E D

people fall in love in mysterious ways

F# G F# E D D D E

Maybe just the touch of a hand

A F# G F# G F# E D E D F# F# E D

Well, me—I fall in love with you every single day

A F# G F# E D D D E

And I just wanna tell you I am

A D E F# E D B D E F#

So honey now

A A A G G G F# F# E F#

Take me into your loving arms

A A A G G G F# F# F# A E D E

Kiss me under the light of a thousand stars

A A A G G G F# F# E F#

Place your head on my beating heart

A D E F# E D E

I'm thinking out loud

D D E F# E D A D C# D

That maybe we found love right where we are

F# A B A F# F# E D E F# B D

When my hair's all but gone and my memory fades

F# A B A F# F# E F# E

And the crowds don't remember my name

D C# B C# B A F# E F# D F# D F# E

When my hands don't play the strings the same way

F# A B A F# F# E D D

I know you will still love me the same

D D E F# A A D E F# E E G F# E D

'Cause honey your soul could never grow old, it's evergreen

D D E F# A A D E F# E E G F# E D

And, baby, your smile's forever in my mind and memory

A F# E D E D B A

I'm thinking 'bout how

F# G F# G F# E D E D F# F# E D

people fall in love in mysterious ways

F# G F# E D D D E D E F# E D B A

Maybe it's all part of a plan

A F# G F# E D D D A B F# E D

Well, I'll just keep on making the same mistakes

F# G F# E D D E

Hoping that you'll understand

A A F# F# E D

But, baby, now

A A A G G G F# F# E F#

Take me into your loving arms

A A A G G G F# F# A E D E

Kiss me under the light of a thousand stars

A A A G G G F# F# E F#

Place your head on my beating heart

A D E F# E D E

I'm thinking out loud

D D E F# E D A D C# D

That maybe we found love right where we are X2
