Once I was seven years old, my mama told me,

"Go make yourself some friends or you'll be lonely."

Once I was seven years old

Bb Bb C D C Bb Bb Bb C D F C Bb

It was a big big world, but we thought we were bigger

Bb Bb C D C Bb C D C Bb C D F C Bb

Pushing each other to the limits, we were learning quicker

Bb C D C Bb C D C Bb C D F C Bb

By eleven smoking herb and drinking burning liquor

Bb C D C Bb C D C Bb C D F C Bb

Never rich so we were out to make that steady figure

Once I was eleven years old, my daddy told me,

G D C C Bb C C C Bb D C

"Go get yourself a wife or you'll be lonely."

Once I was eleven years old

I always had that dream, like my daddy before me

Bb C D C Bb C D C Bb C D F C Bb

So I started writing songs, I started writing stories

Bb Bb C D C C Bb Bb Bb C Bb F C Bb

Something about that glory just always seemed to bore me

Bb Bb C D C Bb C D C Bb C D F C Bb

'Cause only those I really love will ever really know me

G F F D F C Bb G Bb F C Bb

Once I was twenty years old, my story got told

G D C C Bb C C C Bb D C

Before the morning sun, when life was lonely

Once I was twenty years old

Bb Bb C D C Bb Bb Bb Bb D F C Bb

I only see my goals, I don't believe in failure

Bb C D C Bb C D C Bb C D F C Bb

'Cause I know the smallest voices, they can make it major

Bb Bb C D C Bb Bb Bb D F C Bb

I got my boys with me, at least those in favor

Bb Bb Bb C D C Bb C D C Bb C D F C Bb

And if we don't meet before I leave, I hope I'll see you later
