

## Symphony – Clean Bandit ft. Zara Larsson

**G G G G F Eb Eb**

I've been hearing symphonies

**F F F Eb G F Eb Bb C**

Before all I heard was silence

**Bb G G G G F Eb Eb**

A rhapsody for you and me

**Bb F F F Eb G F Eb Bb C**

And every melody is timeless

**G G# G G# Eb Eb F G**

Life was stringing me along

**Eb F F Eb G F Eb Bb C**

Then you came and you cut me loose

**Bb G G# G G# G Eb C Bb**

Was solo singing on my own

**Bb F F F Eb G F Eb Bb C**

Now I can't find the key without you

**Eb Eb G C Bb C Bb G**

And now your song is on repeat

**G F G Bb D D Eb D C**

And I'm dancin' on to your heartbeat

**Eb Eb G C C Bb C Bb G**

And when you're gone, I feel incomplete

**G G F G Bb D**

So if you want the truth

**Eb F G Bb G Bb C Eb F F Eb**

I just wanna be part of your symphony

**C D Eb G D G Bb Eb C**

Will you hold me tight and not let go?

**F F Eb F G**

Symphony

**C D Eb G D G Bb Eb C**

Like a love song on the radio

**C D Eb G D G Bb Eb C**

Will you hold me tight and not let go?

**Bb G G G G F Eb Eb**

I'm sorry if it's all too much

**Bb F F F Eb G F Eb Bb C**

Every day you're here, I'm healing

**Bb G G G G F Eb Eb**

And I was runnin' out of luck

**G F F F Eb G F Eb Bb C**

I never thought I'd find this feeling
