It's beginning to look a lot like Christmas

**BBA GE**

Everywhere you go

Take a look in the five and ten glistening once again

**F F#G A BAG F# EA**

With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas

Toys in every store

But the prettiest sight to see, is the holly that will be

**Eb E C F# G**

On your own front door

**G G ABCB A BAGA G F#**

A pair of hop-along boots and a pistol that shoots

**G A B BAG F# E**

Is the wish of Barney and Ben

**A BAGA G F#GF# E**

Dolls that will talk and will go for a walk

**F#G A AGF# E D**

Is the hope of Janice and Jen

**D D C#C BAG F#E D C#D C#D**

And Mom and Dad can hardly wait for school to start again

The sturdy kind that doesn't mind the snow

Soon the bells will start
